Match Report - Ronan Minogue

U16A Football Team are through to Quarter Finals of A Championship after an impressive win over Na Fianna

BSJ U16A Football team have negotiated their way to the quarter finals of the A Championship after 5-11 to 1-14 victory over Na Fianna in their 3rd group game. BSJ had had to re-group after previously losing narrowly by 3 points to St. Judes in their 2nd game. BSJ made their intentions clear to Na Fianna with a goal in the opening minutes from Oisín McHugh. Na Fianna responded with series of points. However BSJ maintained control supported by 2 further 1st half goals from Mark McNally & Matthew Gardiner to maintain a strong lead for the home team.

The 2nd half continued in a similar manner. BSJ were able to maintain the lead by winning the individual duels across the pitch, maintaining discipline and attacking with real pace. The victory was made sweeter by having the opportunity to play on Pitch 1 with the senior team playing in parallel on pitch 2. The team are looking forward to quarter final stage on the 12th September with the opponent currently unknown.

1, 2, 3 GOAL!

Match Report - Gerry O'Donnell

Jun B vs Castleknock Jun 5 Cup

Castleknock 3-10
Ballinteer St Johns 2-10

The first half was really competitive and an early BSJ goal from Conor Reilly set the tone. Good performances by Dara Taft and Billy Davern left us two points up at half time.

BSJ again got the first score of the second half and added another before the game then turned on a collision that resulted in a black card for wing forward Mark Doherty. Castleknock took full advantage scoring a goal and two points before we got back to the full 15 and began to get some scores. A quick Castleknock goal left the game level coming into the final 10 minutes. Castleknock then rolled off three points before a quick BSJ break was finished to the set by substitute Andy Kane. A fortuitous Castleknock goal rocked us with 5 minutes left and their lead remained at 3 points at the final whistle.

Despite losing, this was a good team performance as BSJ made Castleknock work hard for their win.

Q&A Responses

- When do we expect to receive fixtures to plan the season?
- When matches restart, can we look to mark out the pitches on P3 & P4 properly and keep them marked? I'm sure we would get plenty of help if shown what to do
- Will all parents be asked to wear masks when dropping off and collecting their children from training?
- I have a parent on my team that would like to sponsor our team for an activity or training tops. Can this be facilitated?
- Are there any bundles/offers available in the shop for return to play such as hurls/helmet/grip deals and so on?

Q&A Responses

- Hi. What, if any, plans for a hurling wall are in place? I feel this would be a huge asset to player development. With the current Minister for Sport as our TD, Catherine Martin, this is a good time to seek funding. In terms of space I feel the small Astro pitch area in BCS could accommodate a wall plus ball alleys at side or rear of wall in order to maximise usage. There are many good examples of walls around the city. Perhaps the school soccer pitch could be relaid as part of this?
- Will new allocation of equipment be distributed in advance of our return to play?
- There was an audit done on the number of footballs each team had. What is the ratio of balls per team/players that we should be working with?? Can additional footballs be requested/provided?
